This year, South Texas college is celebrating 30 years of excellence in higher education in the Rio Grande Valley.

Three decades ago, South Texas College started with only 1,000 students, but has grown to an enrollment of 30,000 and has conferred more than 90,000 degrees and certificates since its inception in 1993. And although STC is one of the youngest colleges in the state, its growth has been exponential and is now a “Top 5” college in the nation for awarding the most associate degrees to Hispanic students.

With an attentive and supportive Board of Trustees and under the leadership of Dr. Ricardo Solis, South Texas College has recently undergone a successful rebranding, established countless new industry and community partnerships, grown apprenticeships including the first-in-the-nation Registered Nursing program, established an STC Education Foundation for fundraising of scholarships and launched a Valley Promise initiative that will eventually lead to free college for all Valley students.
